# Young Tech Enterprises

## Herzlich willkommen!

Technologie- und Industrial-Startups sind seit jeher ein wichtiger Bestandteil der HANNOVER MESSE. Mit Young Tech Enterprises finden Besucher nun einen Startpunkt rund um das Thema Gründung in der Halle 17.

Im Zentrum steht ein prominent besetztes Forum, zusätzliche Leistungen wie Pitchings und Matchingevents runden das Programm ab.

Erstmals finden zwei weitere Startup-Inseln innerhalb der Fachmesse Energy (Halle 27) und der Intralogistikmesse CeMAT (Halle 19) statt.

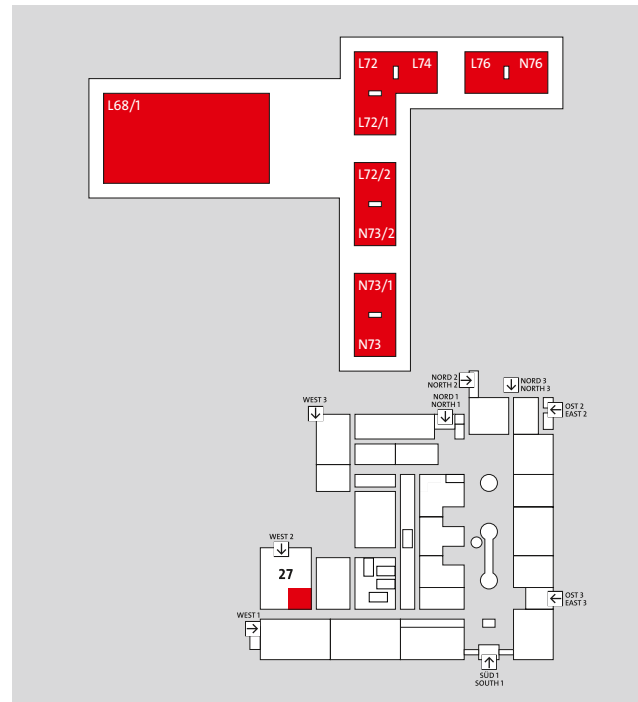

## Welcome!

*Technology-oriented industrial startups have always been an important part of HANNOVER MESSE. Located in hall 17 Young Tech Enterprises is the ideal starting point for all about company founding.*

*A high-profile forum will investigate the various issues that confront young companies. The program will also include sales pitches and matching events.*

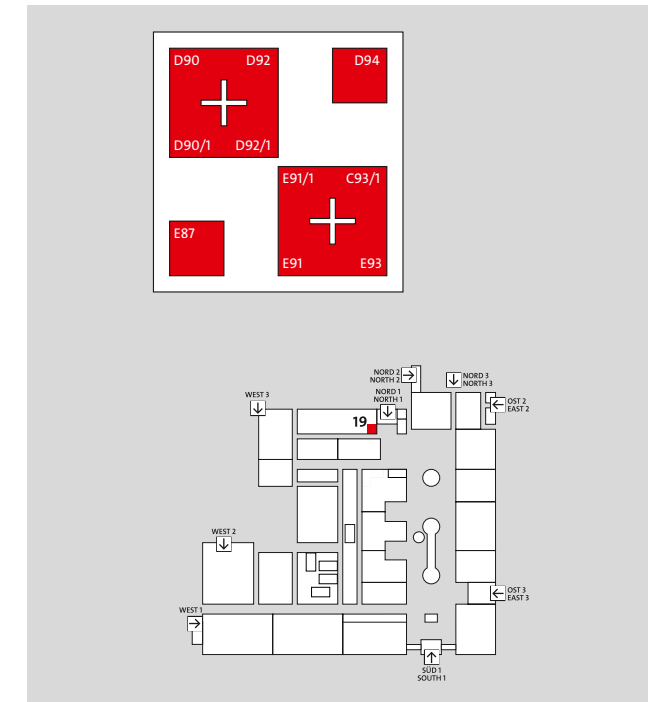

*The 2018 edition will see two islands making their debut at Energy (hall 27) and at the intralogistics trade show CeMAT (hall 19).*
