ABOUT US

Duniatex group is a professionally managed world-class textile manufacturer which focuses on spinning, weaving, dyeing, printing, finishing, and denim. Having 22 proprietary limited companies located across Central Java, Indonesia. Duniatex occupies over 230 hectares of land. Founded in 1974 under the name CV Duniatex in Surakarta, Duniatex focused mainly in the finishing industry.

With customers' loyal support and trust, CV Duniatex managed to grow and expand widely by beginning to merge with PT WIJAYATEX in 1988, then on finishing and dyeing industry by establishing Damaitex. Duniatex then started to expand the weaving industry in 1998 named PT. DELTA MERLIN DUNIA TEKSTIL.

Duniatex began to establish 3 spinning mills such as PT. DELTA MERLIN SANDANG TEKSTIL (2003). PT DELTA DUNIA TEKSTIL (2006), and PT. DELTA DUNIA SANDANG (2010). Lately Duniatex also expand the business to open end, denim, and printing industry which was officialy operating in 2017.

Due to tireless effort, strong commitment, and dedication to enter the wordwide market. Duniatex strives to become the nation's biggest and most reputable manufacturer in textile industry and further, to become a world leather on its behalf.

Duniatex pays extensive attention to development of human resources to maintain loyalty and professionalism. Because without the support of commitment from our reliable and professional staffs, it would be impossible to achieve our future objectives.

With the support of more than 40.000 laborers, along with the achievement in Certification of Quality Standars ISO 9001:2015, Duniatex has numerous customer speed all over the world. Until now, Duniatex development is supported by 1.824.000 sindles and establishment of new mills will still continue. Duniatex will always provide the best performance to meet local, nationalwide, and worldwide market demands.

THE SPINNING INDUSTRY

THE SPINNING INDUSTRY

is the first step in the textile industry. It processes raw materials, such as cotton, rayon, and polyester fibers into yarns, which will be woven or knitted later on.

Duniatex has 3 spinning group such us PT. Delta Dunia Tekstil, PT. Delta Merlin Sandang Tekstil, and PT. Delta Dunia Sandang Tekstil with the support 1.800.000 spindles. With production capacity around 150.000 bales/month.

PRODUCT RANGE
