01 About Us

Established in 2012, Runsom Precision is specialized in providing customers worldwide with one-stop solutions for industrial precision components.

Our mission:

1. Provide customers with high-quality industrial components and services.
2. Cultivate innovative talents.
3. Do our duty for society.

Factory Area
2500m²

CNC Equipment
50+

Employees
60+

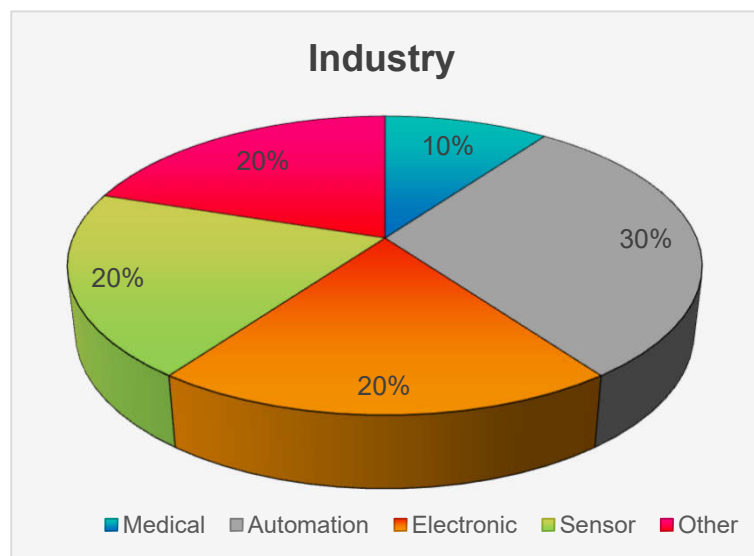

Company Profile

RUNSON
Your Precision Components Solution

Our Clients

Currently, we have collaborated with over 100 clients, mainly from industries:

Here are part of our clients:

JABIL

 **HUAWEI**

 **ITT**

 **TSINGHUA UNIVERSITY**

polaroid

 **CHINESE ACADEMY OF SCIENCES**

02 Our Services

RUNSON
Your Precision Components Solution

Four Main Services

CNC Milling

CNC Turning

5 axis CNC Machining

Prototype Making

02 Our Services

Machining Capabilities and Precision

Production Capabilities	Minimum Tolerance
Outer diameter dimension(Turning process)	0.01mm
Outer diameter dimension(Centerless grinding process)	0.005mm
Outer diameter dimension(Step grinding process)	0.005mm
Internal diameter dimension(Turning process)	0.01mm
Center distance dimension(CNC milling process)	0.01mm
Length,width,height(CNC milling process)	0.01mm
Surface roughness	Ra0.4a
Run-out	0.01mm
Roundness	0.01mm
Flatness	0.01mm
Perpendicular	0.01mm
Cylindricity	0.01mm
