

22– 26 APRIL 2024

CONNECTING INDUSTRY WITH HYDROGEN AND FUEL CELLS TECHNOLOGY

HYDROGEN + FUEL CELLS EUROPE

POWERING THE FUTURE OF INDUSTRY: UNLOCKING HYDROGEN'S POTENTIAL

More than 300 exhibitors from 25 countries present their latest products and developments on an exhibition area of 12,000 m². International corporations, SMEs and research institutes show the entire spectrum of the industry.

The combination of exhibition, two forum areas and numerous networking events has been unique worldwide for 29 years.

YOUR BENEFITS:

- Be part of Europe's biggest Hydrogen and Fuel Cells exhibition
- The worldwide unique meeting point for the Hydrogen and Fuel Cells industry
- Get in touch with industry leaders from all over the world
- Numerous networking events daily in our lounge areas and exhibitor booths
- Our service packages simplify exhibiting in Hanover, be also present digitally
- Live streamed interviews and presentations in our two forum areas

HYDROGEN + FUEL CELLS EUROPE IS PART OF THE HANNOVER MESSE:

- We offer a platform for application-ready solutions in an industrial context.
- Synergies with numerous energy topics: Energy storage, decentralized energy supply, infrastructure for electric vehicles, power and heat, digital energy and much more!
- We are the most important platform for the international upswing of the global hydrogen economy.

WHY EXHIBIT? OUR SERVICE PACKAGES

JOIN OUR COMMUNITY

At Hydrogen + Fuel Cells EUROPE exhibitors profit from our unique community located in Hall 13. Only here you have endless networking opportunities combined under one roof and the chance to connect with companies, institutions and high ranking politicians. Meet leads from major companies of the industry and present your company and products in our two forum areas.

WE MAKE EXHIBITING AND NETWORKING EASY

- ✓ Live streamed interview or presentation in one of our two forums
- ✓ Promotion at hannovermesse.de
- ✓ WiFi and electricity at your booth
- ✓ Meeting rooms, lounges and internet cafe
- ✓ Food and beverage service all day

EXHIBITION TOPICS

- Hydrogen generation and infrastructure
- Hydrogen compression, storage and transport
- Fuel cell systems and applications
- Components and supplying technology
- Fuel cell and battery testing

OUR SERVICE PACKAGES:

Full Service package

We set up your booth and attend to all details, including walls, carpeting, standard furniture and lighting.

Basic Service Package

If you prefer to set up your own booth, we will provide all other services on top.

DO YOU NEED MORE DETAILS OR ADVICE?

WE'D BE PLEASED TO SPEAK TO YOU IN PERSON!
