**无锡先导智能装备股份有限公司**
Wuxi Lead Intelligent Equipment Co., Ltd.

我司是一家从事非标自动化设备制造的企业。今年的工博会我司的新老厂区共组织了100余人前往展会参观，展会规模较大，许多国际一线品牌均参与展出，展厅分类清晰，专业性很强。此次的参观让我们发现3类产品可改善我们目前的工艺。以前我司也经常组织参加展会，大多是供应商发出邀请，对展会具体内容不清楚，没有明确目标。标准品选择上造成先入为主的意识，无法更好地判断分析。十分感谢这次展会主办方的服务，提前将展会信息传递给我们，且邀请并热情接待了我们，让我们的团队更有目标性的去参观，让我们团队能够在这天内就完成了这次参观，并且收获丰富。

We are a non-standard automation equipment manufacturer. This year we organized 100 staff as a delegation to visit CIIF. The show scale was huge and a lot of international leading brands participated the show, the hall arrangements were clear and professional. We discovered three types of products can be used to improve our current production process through the visit. Compare to other trade fairs, the organizers of CIIF provided more accurate information to us prior the show and guided us at onsite, those services allowed us to visit the show with planned purpose and made the visit more efficient, we were able to fish the visit within half day and had fruitful result.
